

Parent Note

K4 **Week 20-21**

This upcoming month our school will be receiving a barred owl mount in the science lab. In preparation of its coming we will be having a naming contest throughout the school. The children have been learning about owls and other nocturnal animals. We also were able to finally build a snowman!

Date(s) to remember:

Child Development Days – is taking place on ... **Friday, February 3rd**– at Campbellsport Elementary (920-533-8032). Interested parents should call the school office listed above to get their child signed up for a **SPEECH SCREENING**.

Saturday afternoon, February 4th Catholic Schools Week MASS and Open House- Please plan to join us! -Dress: Maroon School Shirtic/Khaki Pants: 2:30pm Open House, 4:00pm Mass, 5:00pm Open House and Family Pizza potluck/service project in the Gym. See weekly review for link to sign up to participate.

Saturday, February 25, 2017 Dinner Auction Gala The theme is "Champagne Wishes & Caviar Dreams." So get your best dresses, suits, pearls and diamonds ready for an elegant evening! This is a very fun event. I recommend you try to attend!

Other Resource(s): <http://sothprek.weebly.com> classroom site

Reminders: The colder weather is upon us. **Please remember to send boots, snow pants, hats, gloves and scarves** because we do try to get outside each morning **unless it below 0 °F**. Most importantly, please **label these items** with your name so they can be easily identified. Thank you.

Activity Highlights:

Faith (We ...)

- **attended an All School Mass,**
- **participated in Benediction**

Language Arts:

- **If you notice others having difficulty understanding your child or I have made the suggestion to have a speech screening, please plan to do so. The information is directly to the left.**
- **We are continuing to make journal entries.**
- **We sent** a book home from the School Library and two mini books that we read in class.
- **We conducted final assessments for second semester.**

Math (We...)

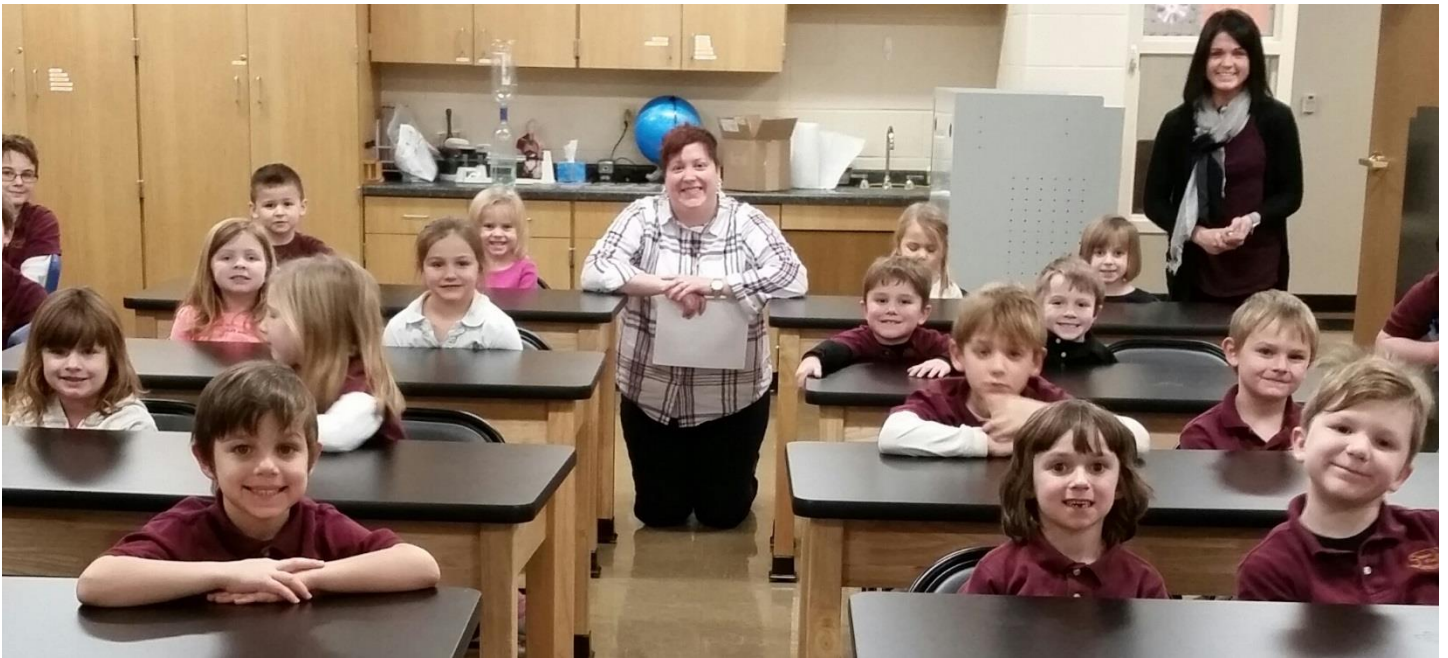

- During calendar we are working on an ABCC pattern.
- are counting the day's we have been in school and very nearly to 100.
- are graphing the weather and temperature
- are reviewing the shapes; semi circle and crescent.
- are estimating and measuring...

Science/Health/Safety (We...)

- went to the science lab with Mrs. DuFoor to conduct an experiment with germs and hand washing. We swabbed our hands and left the cultures to grow in Petri dishes with agar. As we continue to learn more about germs and good hygiene.
- are continuing to learn about the five senses in detail.

Sneak Peek into next week! We continue our alphabet awareness by learning all about the letter Qq. On Friday please send a show-N-tell item that begins with the letter Qq.

PICTURES FOLLOWING !

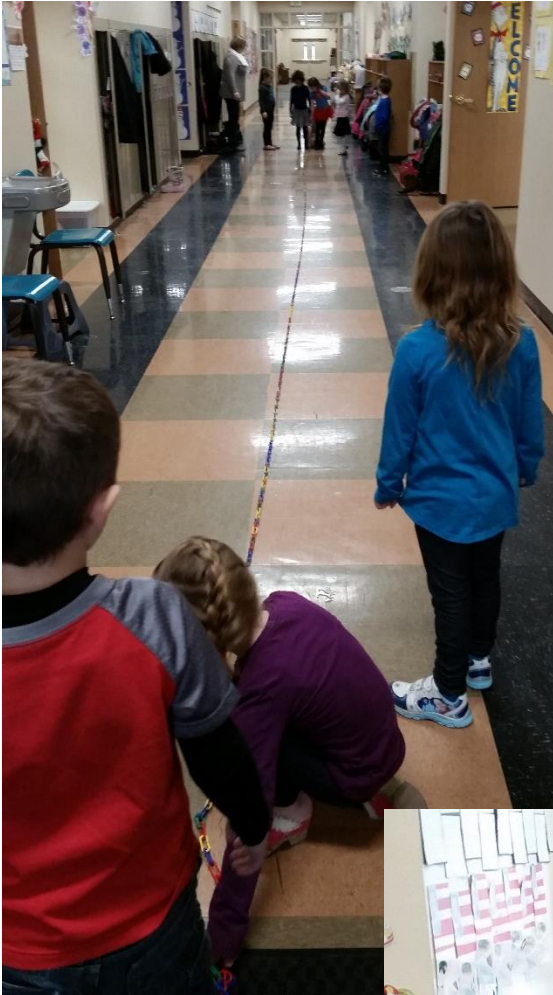

Mrs. DuFoor sponsored Lab day with K5 and 5th grade mentors: using petri dishes and agar to increase understanding of germs and how they are transferred.

We finally could build a snowman with the help of Mrs. Jordan (behind the camera)!

During Math we took estimates and guessed how many squares long our chain would measure...

we are getting much better at stepping off the length!

The chain measured a little over 48 squares long! Congratulations to Emma who guessed 48 and Bentley at 49. Amazing!

Check out information about the new science room addition of the owl mount. Information and coloring pages can be found under News-Special Events on our class website!
