Activity Highlights:

Faith (We ...)

- attended an All School Mass,
participated in Benediction
are learning the Our Father during school morning prayer.
celebrated St. Patrick Day with a story of his explanation of the Trinity. Learned about Father, Son and Holy Spirit, three persons = one God. We were left a coin with a shamrock on it to help us remember the Blessed Trinity. St. Patrick helps us prepare for Easter much like St. Nick helps us prepare for Christmas.

Language Arts (We...)

- are continuing to make journal entries.
sent a book home from the School Library.
finished learning all about the letter Vv
talked about Lent and extra acts of kindness that we could do to prepare for Easter.
are expanding sensitivity of phoneme awareness from beginning word sounds (alliterations) to ending sounds (rhymes).

Math (We...)

- are reviewing our shapes.
are building patterns during calendar time.
are counting by 10's to 100.
are graphing weather and temperature.
are working on number comparisons, such as which is the smaller or larger number.

Social Studies (We...)

- were visited by the Agricultural Lady who taught us all about farm produce, food groups and the pig industry.
continued playing educational board and card games during learning centers.

Science/Health/Safety (We...)

- played scarf tag, practiced dribbling a basketball, played clean up my back yard over the volley ball net (covered with sheets) with Dr. Staehling.

Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6
