Reminders : The colder weather is upon us. **Please remember to send boots, snow pants, hats, gloves and scarves** because we do try to get outside each morning **unless it below 0 °F**. Most importantly, please **label these items** with your name so they can be easily identified. Thank you.

Sneak Peek into next week!

We will continue to learn about and use shapes. We will do some midyear assessments. Please send a show-N-tell on Thursday that contains **a square**.

Highlights of our Activities:

Faith (We)

are practicing doing good deeds as little gifts for Jesus. These gifts manifest themselves through small acts of kindness, small sacrificing by sharing and taking turns.

Language Arts (We...)

participated in group read-a-louds by making predictions and answering short questions. ...
 If you notice others having difficulty understanding your child or I have made the suggestion to have a speech screening during conferences, please plan to do so. The information is **directly to the left**.

Math (We...)

are learning about shapes. This week we learned about circles.

Art (We...)

are using shapes to make art. We cut out different sized circles to make snowmen.

Movement (This week...)

Dr. Staeling and the children practiced walking on the balance beam, catching and throwing balls as well as climbing over mats.

Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6
