Sneak Peek into next week!

We will continue to learn about and use shapes. Please send a show-N-tell on Thursday that contains **a rectangle**.

Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6

Highlights of our Activities:

Faith (We)

are practicing making the sign of the cross correctly.

Language Arts (We...)

participated in group read-a-louds by making predictions and answering short questions. ...
 If you notice others having difficulty understanding your child or I have made the suggestion to have a speech screening during conferences, please plan to do so. The information is **directly to the left**.

Math (We...)

are learning about shapes. This week we learned about squares.

Art (We...)

are using shapes to make art. We used our listening skills and shapes to construct a picture of a house in winter.
 are practicing our cutting skills.

Movement (This week...)

Dr. Staeling and the children navigated an obstacle course and slid on mats as they pretended to be playing in the snow.
