Highlights of our Activities:

Faith (We)

- are practicing making the sign of the cross correctly.
- are learning the Act of Contrition

Language Arts (We...)

- participated in group read-a-louds by making predictions and answering short questions. ...
- are reading stories to learn more about Easter.

Math (We...)

- using shapes to designate where we are going and what we are doing: sitting on the round rug, standing inside our square tile, looking inside the cube...

Art (We...)

- made palm branches to help prepare for Palm Sunday. We learned the word, Hosanna, to be a word giving adoration and praise to God.

Science and Social Studies (We...)

- are learning all about animals and their babies. This week the Gade family brought a baby goat, a kid, for us to see! Thank you! There are some pictures on the next page.
- are practicing extra kindness and sharing this Lenten season during play center time.

Movement (This week...)

- with Dr. Staeling we played on scooters. We practiced catching scarves and had free play in the gym.

See the next page for some good pictures...

The children loved this cute little kid! During Easter we celebrate new life!
