#### Sneak Peek into next week! We

will continue to read Easter stories and from our Dr. Seuss library. Please send any show-ntell item with your child on Thursday.

Direct your children onto the right path, and when they are older, they will \* not leave it. Proverbs 22:6

Parent Note

# Highlights of our Activities:

#### Faith (We)

□ practice making the sign of the cross correctly.

□ are praying the Act of Contrition each morning.

are learning about Easter's promise of new life.

#### Language Arts (We...)

□ participated in group read-a-louds by making predictions and answering short questions. ...

are reading stories to learn more about the life cycle of the butterfly.

thank Mrs. Condon for coming in and reading us the story of the Hungry Caterpillar. She also showed us a real caterpillar that she found.

## Math (We...)

□ used shapes to designate where we are going and what we are doing.

#### Art (We...)

□ used our cutting, drawing, and folding skills to make wiggly caterpillars.

## Science and Social Studies (We...)

□ are playing in small groups, learning to share during center time.

Movement (This week, with Dr. Staehling...)

 we practiced kicking goals with a soccer ball.

we made our way through an obstacle course which required us to climb, toss balls into a can, match colors, and walk the balance beam.
