Sneak Peek into next week!

We will continue our units on safety and reading bible stories. Pre-existing knowledge for colors and shapes will be assessed.

Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6

Highlights of our Activities:

Faith (We)

- read about God creating our world and us with much love and calling it good.
- are learning how to make the sign of the cross and participate in morning prayer and pledge.

Language Arts (We...)

- participated in group read-a-louds.
- sent a fire safety book home for family reading time.
- practiced using book markers while selecting a book from the classroom shelf to mark where it should be returned to.
- are learning the proper way to grip a pencil/marker and trace our names.

Art (We...)

- enjoyed playing with play dough. A manual press was used to make long shapes. Then we cut the shapes up into smaller pieces.

Movement (We...)

Specialty Teachers- We have physical education class on Tuesday and Thursday mornings. Kindly either send your child with tennis shoes those days or leave a pair in their cubby.

On **Thursday** for show and tell, please send one of your child's favorite books so they can tell their friends about it.
