

## Parent Note

This week we had an outside classroom fire drill and in Physical Education with Dr. Staeling, the children practiced their; stop, drop, and roll techniques on mats. They also practiced the concept of crawling under a blanket of pretend smoke to complete their fire safety skills. They are well prepared to welcome our classroom fieldtrip visitor, Fireman Captain James Knowles on October 4<sup>th</sup> at 10:00 am. Parents and Grandparents are welcomed to join us during his visit.

Please continue to visit our classroom website at <http://sothprek.weebly.com> and if you have questions or concerns please feel free to call me @ 920-960-3390. Thank you, Mrs. Schreiner

### Date(s) to remember:

**Tuesday, October 4<sup>th</sup> at 10:00 am:** Fireman Captain James Knowles will come and provide us with an in house fieldtrip for fire safety. **Parents and grandparents are welcomed to come and join us** for this presentation which will last a half hour.

**NOTE to all our NEW FAMILIES!** If you were not able to attend the Safe Environment Training yet please check online at

### Featured book(s)

*Early Reader's Bible-Noah*, by V. Gilber Beers

*On Noah's Ark*, by Jan Brett

*Two by Two*, by Barbara Reid

*Fire House*, by Mark Teague

*Going to the Firehouse*, by Mercer Mayer

### Sneak Peek into next week!

We will begin our theme for the fall season and continue to assess pre-existing knowledge for colors and shapes.

*Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6*

### Highlights of our Activities:

#### **Faith (We)**

- read about Noah and the Ark. We counted and identified the animals. God took good care of Noah, his family and the animals.
- are learning how to make the sign of the cross and participate in morning prayer and pledge.

#### **Language Arts (We...)**

- participated in group read-a-louds.
- practiced using book markers while selecting a book from the classroom shelf to mark where it should be returned to.
- are learning the proper way to grip a pencil/marker and trace our names.

#### **Art (We...)**

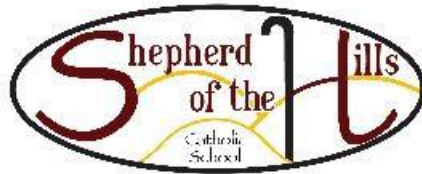

- made rainbows and clouds. This task taught us how to use both squeeze and stick glue for the first time in class.
- used finger paints to mix and play with colors. Some chose to use fingers and hands, others preferred brushes.
- began assessments for knowledge of colors and shapes.

#### **Movement (We...)**

- have been dancing and exercising in the classroom and going outside often.

**Specialty Teachers-** We have Phy. Ed. class on Tuesday and Thursday mornings. Kindly either send your child with tennis shoes those days or leave a pair in their cubby.

On **Thursday** for show and tell, please re-send one of your child's favorite books so they can tell their friends about it. They can bring the same book as last week because we ran short of time for this exercise.
