My First Book of Colors, by Crayola

Sneak Peek into next week!

We will continue our theme for the fall season. Children will practice identifying and working with colors. Fall is a great time for this.

Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6

Highlights of our Activities:

Faith (We)

- visited church and practiced blessing ourselves with holy water from the baptismal font along with genuflecting.
- are learning how to make the sign of the cross and participate in morning prayer and pledge.

Language Arts (We...)

- participated in group read-a-louds.
- practiced using book markers while selecting a book from the classroom shelf to mark where it should be returned to.
- are learning the proper way to grip a pencil/marker and trace our names.

Art (We...)

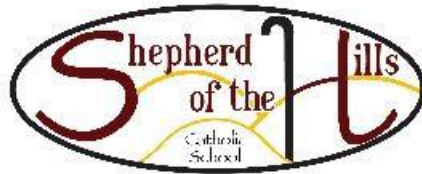

- made a rainbow of handprints.
- practiced using realistic colors to color/paint fruit after we identified it
- finished pre-assessments for knowledge of colors and shapes. We will be covering the colors; yellow, orange, purple, brown, black and gray in class. Everyone knew red, green and blue, so we will not need to focus as much on those.

Movement (We...)

- the children enjoyed a beautifully staged obstacle course for Phy. Ed.

Specialty Teachers- We have Phy. Ed. class on Tuesday and Thursday mornings. Kindly either send your child with tennis shoes those days or leave a pair in their cubby.

On **Thursday** for show and tell, please send an item that is Yellow.
